**No singing experience necessary**

“Everyone can sing!” says Shivon Robinsong, founder/co-director of Victoria's 350 member Gettin' Higher Choir. She is Co-director of the Community Choir Leadership Training Program and the UBUNTU Community Choir network. Shivon is a co-founder of Hollyhock Retreat Centre, Cortes Island, B.C.

Shivon has a special gift for bringing out the singer in each of us. She is passionate about vocal communities that are joyful and inclusive. Under Shivon's guidance, participants explore their vocal range and learn to listen and sing in tune with others. Shivon teaches songs from various traditions that are easy to learn, uplifting and fun - in glorious three and four part harmony. Many have discovered how this singing also enhances communication in other areas of life, both business and personal.

Shivon's workshops always sell out in Winnipeg.

Winnipeg's **Spirit's Call Choir** began with people who believed they couldn't sing and now has over 150 members - from novice to accomplished singers and musicians. Spirit's Call Choir supports personal, choral and global harmony, performs sold-out benefit concert. Spirit's Call Choir has raised over \$120,000 in aid of local and global causes and was honoured with the 2010 **Mayor's Volunteer Service Award**.
